National Intelligence Officers

MEMORANDUM FOR: Associate Director-Management, NFAC

VIA: Director of Security  
Attention: Chief, EAB  
Chief, Central Cover Staff  
NFAC/SO  
NFAC/CAR

STATINTL FROM: [REDACTED]  
National Intelligence Officer for China

STATINTL SUBJECT: [REDACTED] Teaching at SAIS

1. SAIS of Johns Hopkins University has asked me to give a course centered on the Chinese economy. It would start in February 1978, last twelve weeks -- there would be one two-hour class per week given at night. The pay would be \$1300. I would be identified as the NIO for China in NFAC.

STATINTL 2. [REDACTED] of OER, David Denny of Commerce have given a similar course in the past at SAIS. Other officers of NFAC currently teach courses at universities in the Washington area and elsewhere; hence, there are precedents for this. The course would not interfere with my work for NFAC as the NIO for China. In fact, I believe it will help sharpen my own thinking on the Chinese economy.

STATINTL 3. I hope to call on certain experts in OER to assist me in several specialized aspects of the course -- for instance, I would hope the oil expert in OER would give a lecture on the problems of Chinese oil and I have cleared this informally with [REDACTED] of OER. I would split the fee accordingly. The other individuals, however, have not been selected yet. They will forward individual memos for approval when they are designated.

4. I request approval for this activity.
